You have proven yourself as one of the Greatest Servants of Tempus. Upon reaching this level as an Epic Tempus Warlord, you are now the Master of Fighting and Divine Spellcasting. An Epic Tempus Warlord is always in front of Battle, raining down the Wrath of Tempus upon his foe. All Rules apply as per *Tempus Warlord Prestige Class*

Class Features:

Skill Points at Each Additional Level: 2 + Int Modifier

Spells: The Epic Tempus Warlord's caster level is equal to the sum of his or her Cleric, Tempus Warlord and Epic Tempus Warlord class levels to determine the caster level. The Epic Tempus Warlord's Spells Per Day increase until his total Caster Level reaches 20th. More spell slots can be acquired, by selecting the feat Improved Spell Capacity

Turn or Rebuke Undead (Su.): Upon reaching the class of an Epic Tempus Warlord, your turning/rebuking abilities count only towards your Cleric Levels. (E.g. Cleric 10/ Tempus Warlord 12 turns or rebukes as a 10th level Cleric.

Bonus Feats: An Epic Tempus Warlord gains Bonus Feats (Selected from the list of Epic Tempus Warlord Feats) every 3 levels after Level 10.

True Skin of Tempus (Su.): At level 15, as a free action 2/per day, an Epic Tempus Warlord's skin turns hard like stone, granting him a Damage Reduction of 8/- and a fire resistance of 30, for 3 rounds + Con modifier. This Supernatural Ability replaces the "Skin of Tempus" ability

Glorious Might of Tempus (Su.): At level 20, as a free action 2/ per day, an Epic Tempus Warlords can channel the “Glorious Might of Tempus” through the Epic Tempus Warlord’s body. This Supernatural Ability replaces the” Might of Tempus” ability. This transforms the Epic Tempus Warlord into a feat of power and into a similar figure of a man who looks like he came out of a bloody war. Your armor is battered and is also covered with occasional blood stains. Glorious Might of Tempus lasts for 3 rounds + Con modifier, then this appearance ends. (*True Seeing reveals as above.*)
